## ***ABOUT US (WHY WE HELP)***

Precious Bundles was created in 2005 as a way to help ease the financial stress some families face. As the word is spreading, our organization is quickly growing with assistance from volunteers and other local community groups.

As a non-profit group of parents helping other parents, our service recycles quality used children's clothing and essential items throughout the community of Thunder Bay. By lessening the expenses associated with raising children we hope to give many children a brighter future.

**Precious Bundles helps anyone who may need it.** This includes (but is not limited to):

- Low income families
- Single parents
- Students
- Parents with multiple children

We have helped many people who find themselves in different situations. Some of our clients recently lost their jobs, left their spouses or simply could not make ends meet.
